Family & Friends Update 8.28.2020

Happy Friday!

Before providing today's update, I want to express how much we appreciate the solidarity your family has shown to our members and staff of the Veterans Home. Our team is so proud to have the privilege to care for your loved one each day.

Fortunately, I can confirm we have zero diagnosed COVID-19 cases among members and staff.

Gazebo Gathering – Weekend Appointments

We have conducted our Gazebo Gatherings for the last 4 weeks. They continue to go very well. We appreciate everyone's acceptance of this new way to visit your loved ones.

With that being said, we know that some families are not able to visit during the regular weekday appointment times.

We would like to offer a few visits in September on the weekends to those families who cannot visit during the week. We currently have a few openings for Labor Day Weekend: Saturday September 5th and Sunday September 6th at 10:30am and 11:30am both days. These are available on a first-come, first served basis. We continue to work on a few more weekend appointments later in September.

Each member will still receive one Gazebo Gathering per month. Towards the end of September, we will notify you when we have more openings to allow members to schedule a 2nd visit.

We are grateful for your ongoing support. If you have any questions, comments, or concerns, please do not hesitate to either visit with a staff member or contact me directly.

Thank you,
